1. All creatures of our God and King
Lift up your voice and with us sing
Alleluia, Alleluia!
Thou burning sun with golden beam
Thou silver moon with softer gleam.
Ref. O praise him, O praise him
Alleluia, Alleluia, Alleluia!
2. Dear mother earth who day by day
Unfoldest blessings on our way
O praise him, Alleluia!
The flowers and fruits that on tree grow
Let them in glory also show.
3. And all ye men of tender heart
Forgiving others, take your part
O sing ye, Alleluia!
Ye who long pain and sorrow bear
Praise God and on him cast your care.
